Unlocking Your God-given Potential

“Everything rises or falls on leadership,” writes John Maxwell. Whether the organization is a business, church, a team of people, or a home, those serving in places of leadership hold a powerful influence over the culture, atmosphere and success of that organization.

Advent is committed to helping people realize their God-given potential as leaders. We do this in a uniquely Christian environment, knowing that God is the ultimate source of ability, passion and vision.

This leadership development program meets on Wednesday evenings for two hours of intensive training that will serve to prepare the participant in the development of important leadership skills, passions and behaviors.

We will meet in the Café at 6 p.m. for dinner; the class runs from 6:30 - 8 p.m.

The cost for the six-week session is \$30, which covers materials and a light dinner. This fee is due upon registration. Please submit the attached registration form with a check for \$30 made payable to “Advent Lutheran Church” to the church office. Space is limited; register early. Please call 561-395-3632 to find out when the next session will be held.

Topics

Each weekly session will include two leadership development topics taught by Pastor Richard Barbour, Pastor Andy Hagen and other members of the Advent community.

Topics will include:

- What followers expect from a leader

- How to manage change and conflict
- The power of reproduction
- Developing your team (how to equip, empower and encourage)
- The role of faith, prayer and servanthood in leadership
- Tests that every leader will face
- How to keep growing as a leader (using Maxwell’s “Law of Lid”)

- The leader and integrity

Are you ready to experience your leadership potential? Just return the attached registration form to Advent’s church office. Then get ready for an exhilarating experience that will stretch your abilities and passions as a leader.
